ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was received electronically at the Board of Patent Appeals and Interferences on December 28, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below:

The Examiner's Answer mailed on May, 14, 2007, includes a rejection for claims 11-15 under 37 CFR 103(a). The reference relied upon for the rejections of the claims on appeal include a foreign reference MASAO JP 59045738. No full English translation of the above reference has been provided. Rather, the Examiner relies

Application No. 10/722,499

upon an English translation of the abstract and provides a copy of the untranslated foreign reference.

The Examiner must provide a complete English translation of any foreign reference relied upon in the rejection of the claims on appeal. Further, a copy of the English translation should be mailed to appellant and forwarded for scanning into IFW.

Accordingly, it is

ORDERED that the application is returned to the Examiner for the submission of the certified full length English Translation, and a copy should be sent for scanning into the electronic file.
